

Raincheck Policy

Rainchecks or refunds for greenfees/powercarts will only be issued if course becomes unplayable (lightning/thunder/standing water due to heavy rain/hail/snow). Rainchecks will not be issued for slow play, personal commitments or incomplete rounds due to darkness. Any golfers who choose to play in bad weather will not be issued rain checks if weather worsens.

Vouchers will be given for all greenfee rainchecks. No exceptions. Powercart rainchecks can only be refunded on credit cards. No cash/debit refunds will be permitted.
